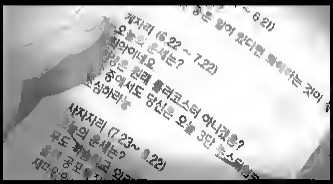
Tons of stuff have happened these last couple of days.

I was excited about a new semester.



There was a bad horoscope reading.

And out of nowhere, I started seeing a ghost.

Then that ghost even possessed my brother..

I fell.

I broke stuff.

And I caused trouble for people I don't even know

Just thinking about everything makes me feel sad and scared TT-TT

And all happened because I bought this

I bought this necklace 'cause I liked it, but it turns out that it lets you see ghosts.

And that ghost has the power to possess other people's bodies

I realized when I got home that as long as I had the necklace, I could make the ghost appear and disappear as I wanted.

I have a feeling he's going to stick to me for awhile.

How can
I ditch him?

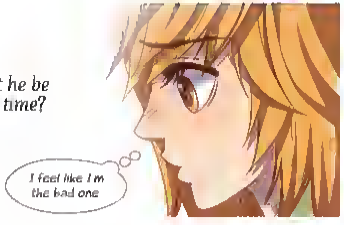
To be honest, I knew from the beginning because he was so honest and happy.

He was following me around because he was happy and genuinely enjoyed it.

If I let him go, wouldn't he be alone again for a long time?



He must've been lonely, right?

Why is she so clumsy? She makes me want to help her again.

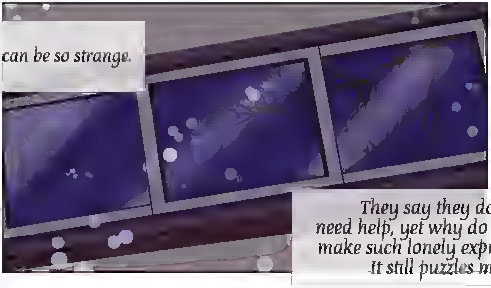
People can be so strange.



They say they don't need help, yet why do they still make such lonely expressions? It still puzzles me

They say they don't need help, but the truth is .

Hey, can I ask now?

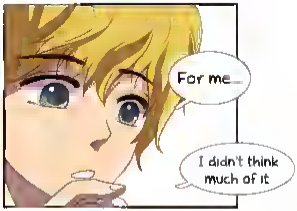
I should be helping her yet what kind of thought.
Can I ask?
Please do miss.

How does it feel to have no memories?

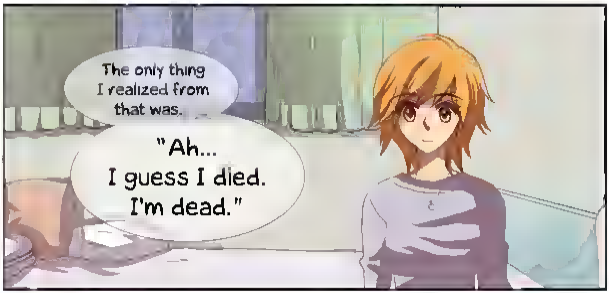
You know how sometimes you have something you can't seem to remember,
but when you think you have it, you don't? It's just so frustrating and it drives you nuts.
Doesn't it bother you?

Ah, was I too blunt?
deep in thought~



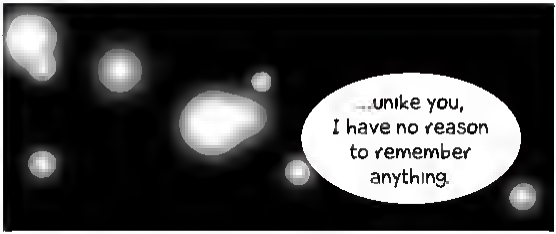
For me...
I didn't think much of it

When I first opened my eyes, it was a snowy day and I was lying flat on the asphalt
For a few days... No, maybe a month or two? I didn't do anything but lay flat on the ground.



The only thing I realized from that was.
"Ah... I guess I died. I'm dead."

Rather than frustration, my mind was like a new, clean slate I wasn't bothered at all. Also..



...unlike you,
I have no reason
to remember
anything.

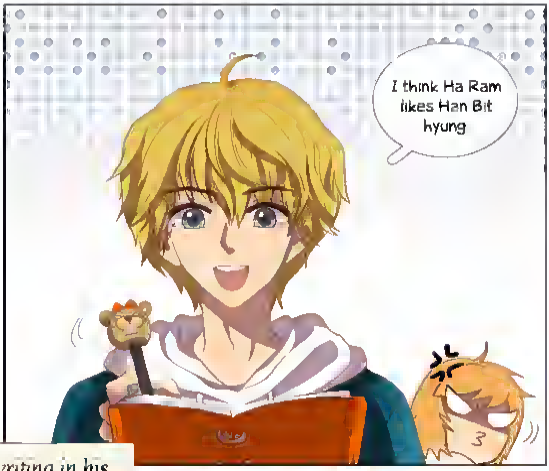
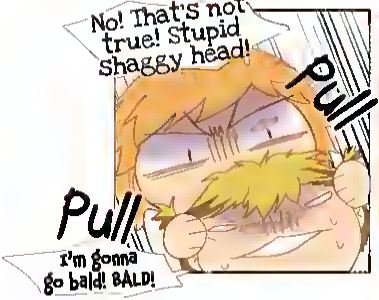
-Chapter 10-
A Walk

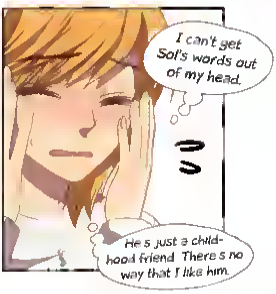
So...
One of Ga On's daily activities is..



I think Ha Ram likes Han Bit hyung
...writing in his diary at night

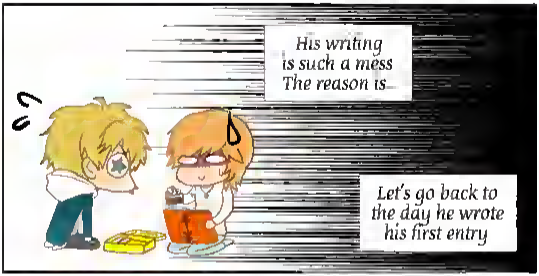


No! That's not true! Stupid shaggy head!
Pull!
Pull!
I'm gonna go bald! BALD!

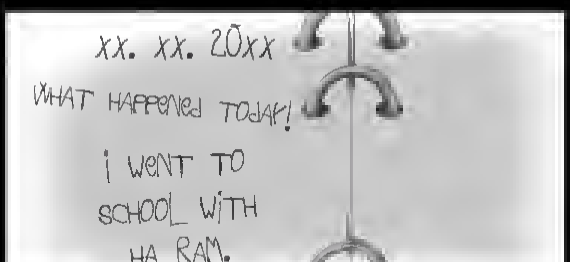


I can't get Sol's words out of my head.
He's just a childhood friend. There's no way that I like him.

Just to set this straight, I do NOT like him
Alright
erase
erase
I'm done! Stamp it!
Hold on
Ga On's been writing in his diary ever since I met him.
I want the star stamp today

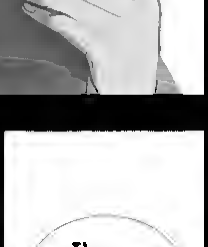


Stamps for every day of the week



xx. xx. 20xx
WHAT HAPPENED TODAY!
i WENT TO SCHOOL_ WITH HA RAM.

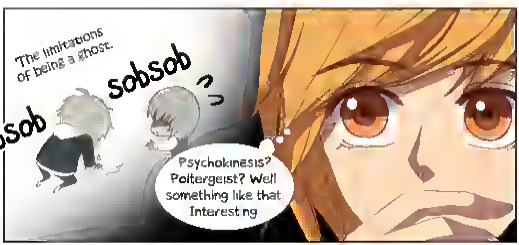
How can you say you wrote this with your hands? More like your feet.
I can't do much about it.



I'm a ghost.

I can move things with a little force, but I can't control it like a person would.
You wanna get hurt again, you little-, Huh?
pinch
tug
This guy- huh?
Refer to One Winner
Huh?
What the-?
My cheek!
I may act like a real person but that's all just mimicry

To put it simply, I don't have anything like weight
levitate
Writing as well ...
I'm only exerting a miniscule amount of force on this pencil. This is no different from me writing while gripping it

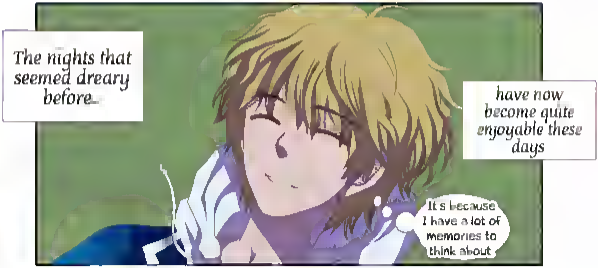


The limitations of being a ghost.
sobsob
sobsob
Psychokinesis? Poltergeist? Well something like that Interesting

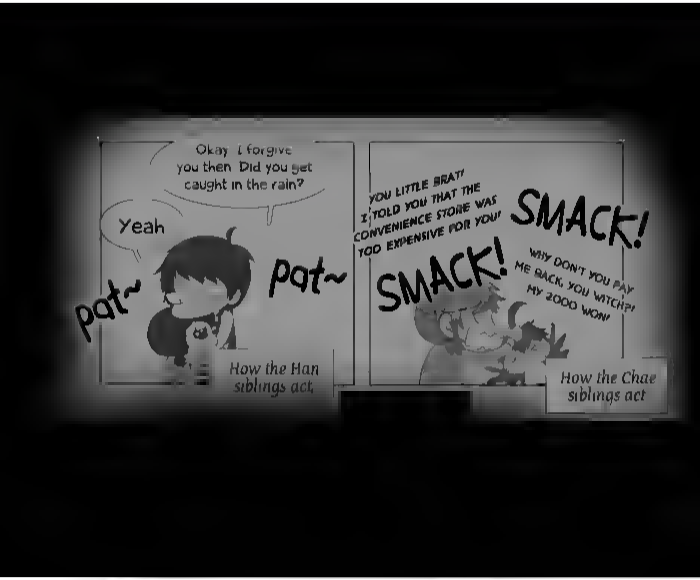
You didn't read it, did you?
I didn't! I didn't! I even paid for it using my own money.

The Park

Another daily activity
At night, he always goes out for a walk.



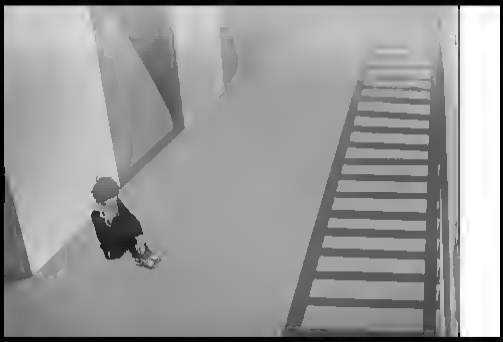
The nights that seemed dreary before...
have now become quite enjoyable these days
It's because I have a lot of memories to think about



Okay I forgive you then Did you get caught in the rain?
Yeah
pat~
pat~
How the Han siblings act
YOU LITTLE BRAT! I TOLD YOU THAT THE CONVENIENCE STORE WAS TOO EXPENSIVE FOR YOU!
SMACK!
SMACK!
WHY DON'T YOU PAY ME BACK, YOU WITCH?! MY 2000 WON!
How the Chae siblings act

(Note- ㅅ "hyung/hoona/unni/oppa" refers to an older brother, older sister, or a close older friend ㅅ "dongsaeng" is for a younger sibling or younger friend. :))

I'm
jealous



Why do
I want more
and more when
I'm like this?

Hmm...it still feels pretty good though
So this was what Eden was saying about memories
Because you can always make new memories

Ah, it's getting
difficult because there's
so much to remember.
I'm a man that
likes to think.

It's a bit creepy here. Hey, let's hurry home.

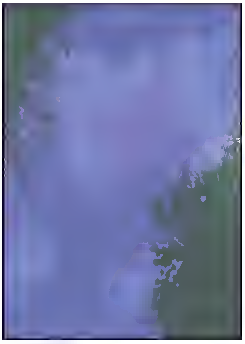
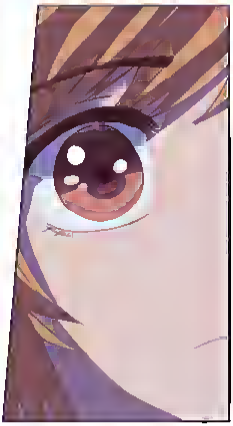
What is this?!



Isn't her singing awesome?
She sings here sometimes. I think she's practicing.

So the reason you kept taking walks here...
You came here every-day?
Yeah.
Is this why you looked so happy?
Yeah!
Isn't her voice pretty? Don't you feel happy listening to it?
Yeah whatever
I thought you liked listening to music

I wanted you to
listen to it.



I've wanted to let you listen to this for awhile now but I couldn't bother you because you were busy studying for exams
Huh?!
Because he thought I would like it

(T/N: She's given him an affectionate nickname
More info later about it.)

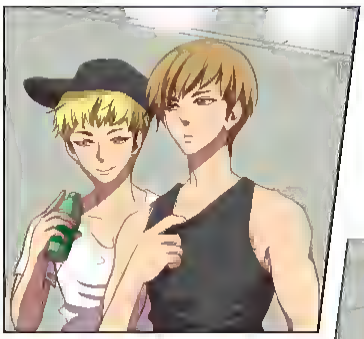
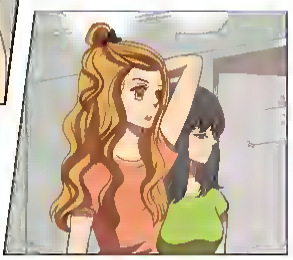
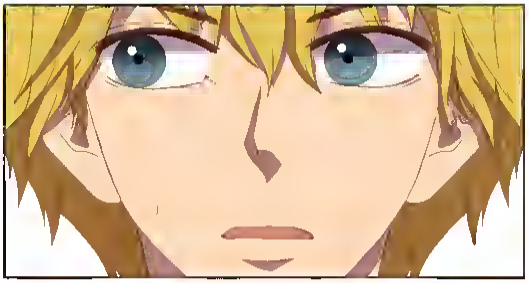
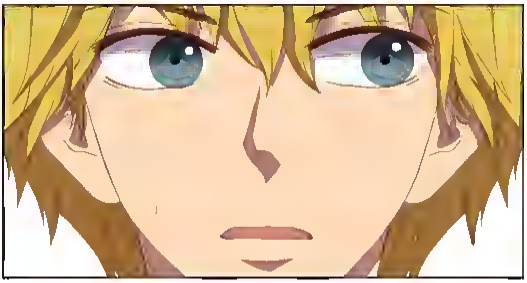
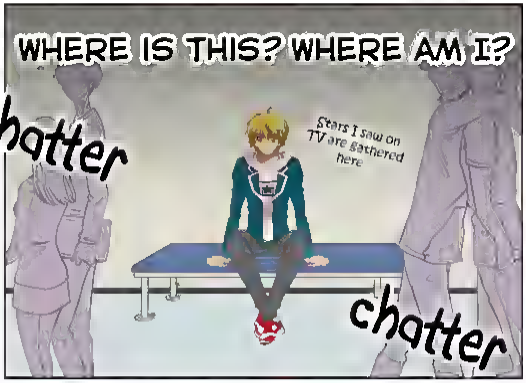
A Walk (4)











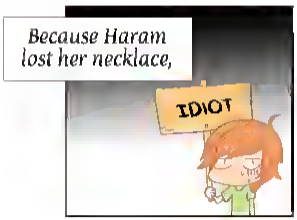
WHERE IS THIS? WHERE AM I?
chatter
Stars I saw on TV are gathered here
chatter

What are you doing over here?
It's because you disappeared!

You asked me to play with you for a day, so what is this?
Sorry, sorry. I was at a rehearsal

Everyone went to eat in the next room. No one's here. come in
creak

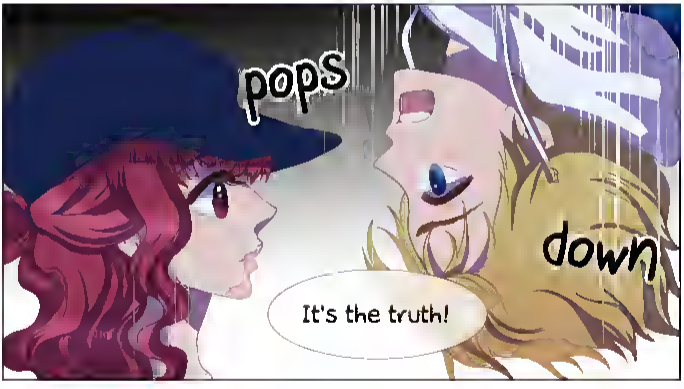
Leader of the idol group 'Day Rabbit' Yeojin nuna

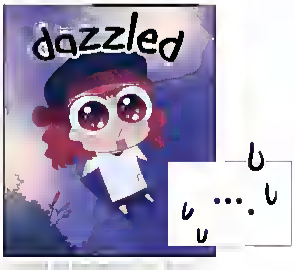


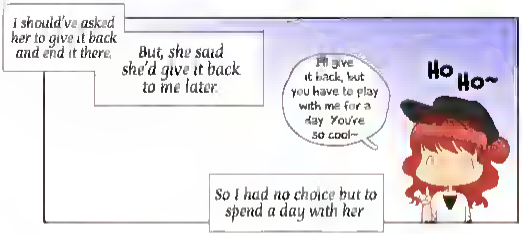
Because Haram lost her necklace,
IDIOT

I went back to look for it.
I'M THE BEST!

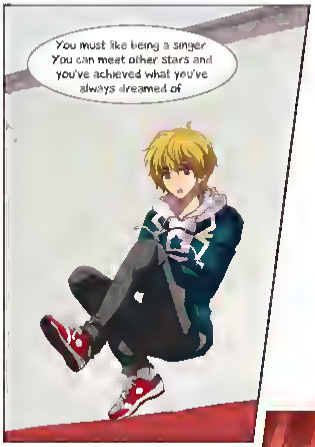
Who would believe you just because you said that?



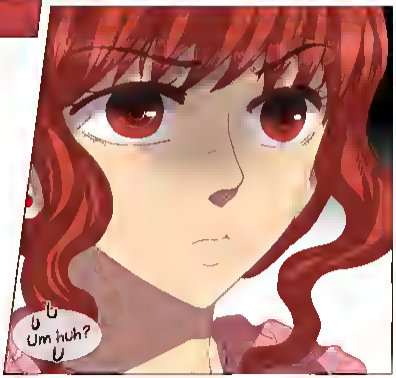




I should've asked her to give it back and end it there.
But, she said she'd give it back to me later.
I'll give it back, but you have to play with me for a day. You're so cool~
Ho Ho~
So I had no choice but to spend a day with her

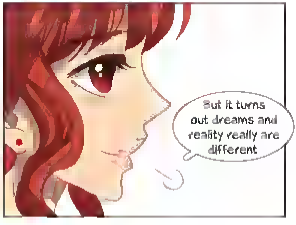


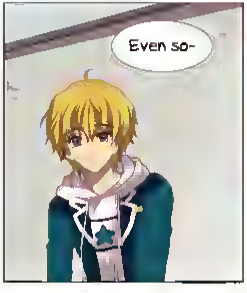
You must like being a singer. You can meet other stars and you've achieved what you've always dreamed of.

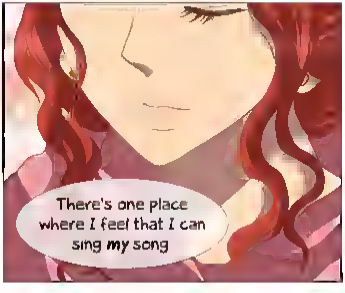


Um huh?

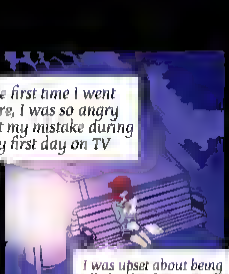
It's one stressful thing after another. At first, all I wanted was to sing in front of people...





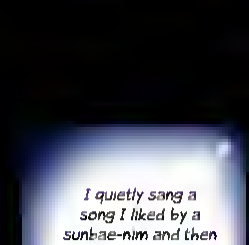


The park at night.

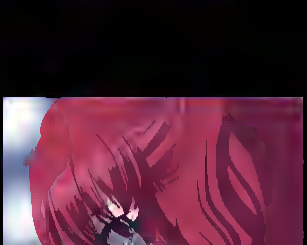


The first time I went there, I was so angry about my mistake during my first day on TV
I was upset about being yelled at on the comment, so I was looking for a place to practice alone

I was angry for awhile, so angry I started tearing up.



I quietly sang a song I liked by a sunbae-nim and then started crying again After awhile, I couldn't think straight



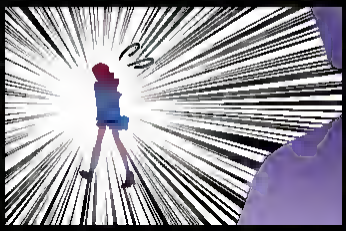
Sniffle
I should go now

I had no idea someone came and had sat behind me

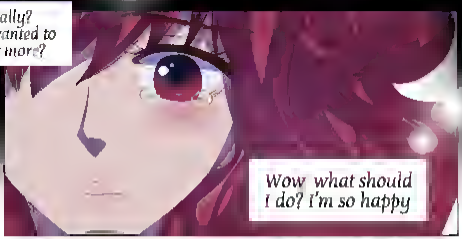
Did he hear me crying and singing? I'm so embarrassed!
gets up suddenly!!

mumble
That's disappointing...I wanted to hear a bit more.

I'll...be back tomorrow around the same time... to practice singing...



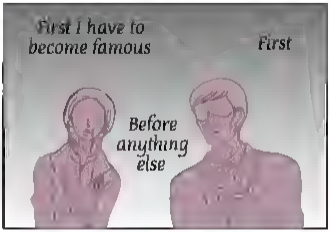
I wanted to hear a bit more..



Even though I knew that already, hearing it so directly caught me off guard. This is the reality of this country's idols.

Singers are supposed to sing. But this isn't it...

She was an actress as a child and the most popular to boot. When she became the main focus,
Singing took a back-seat, and she started spreading her name with every obscure program she could.



First I have to become famous
First
Before anything else

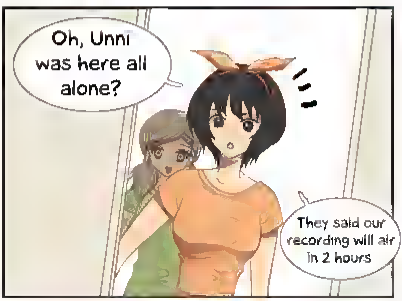
I know
It's only expected
I'm just a novice
Since I'm a singer,
it's normal that I want
to sing more
I don't even want
to sing those kinds
of songs At the
very least, I..

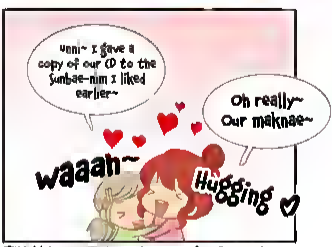
Do you take requests?
sits

Whoa, he actually came back.
He really came back.

This memory will probably become something I can recall to give me strenght
I really owe him I feel like I can finally breathe a little
I'll express those feelings through a song I'm going to sing with pure happiness

It's been like this for 2 weeks now! If I'm so moved by something as small as that when I make my solo debut later my heart would almost burst right? You think so too right?
I was there too, though I didn't see the guy
HER DREAM IS TO BE A SOLO SINGER!!





(T/N: Maknae is similar to dongsaeng. It refers to the youngest sibling or person in a group.)

Oh right Unni I heard that recently you've been wandering around at night twice a week?
Darn I cut my lip
Are you meeting a man? What if it becomes a problem?
I'm working hard. But as our leader I can't say the same about you Unni

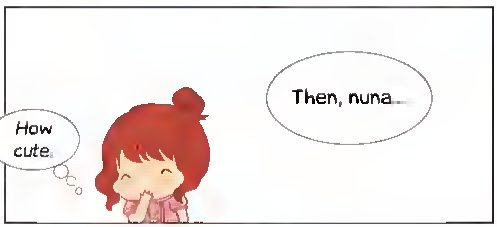
(E/D: If you don't know about KPop Idols usually aren't allowed to date until a number of years have pass, or not at all. It can be a distraction, and can also take away fans ... no $$)

That little- I know all about how you and the leader of Aid are dating!
HER TONE OF VOICE...
Do you enjoy dating a man 6 years older than you?

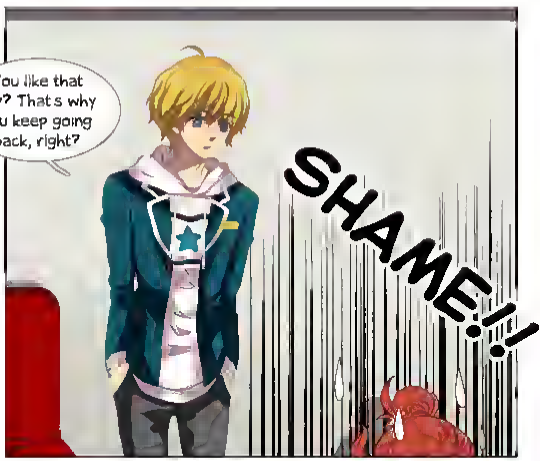
(T/N: V is for Victory!)

I don't like bad people.
Hmph!
haha
Ok, ok.

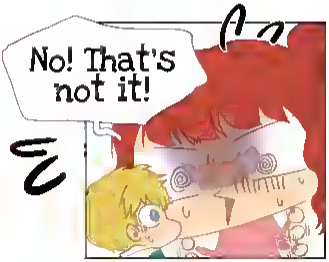
Since you're in the same group make sure you fix her personality. Pff



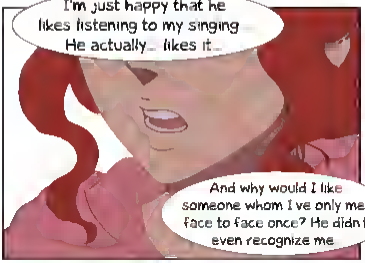
How cute.
Then, nuna...



You like that guy? That's why you keep going back, right?
SHAME!!!



No! That's not it!



I'm just happy that he likes listening to my singing. He actually... likes it...
And why would I like someone whom I've only met face to face once? He didn't even recognize me.

I just want to let him listen to me sing more
I just want to...

The way he looks as he listens to me sing,

I want to keep seeing it...

Little kid...

Whoa, was this alley always this scary? I didn't realize that before.
I came to meet you.
It's scary, this alley...
I was too pre-occupied with school to look before, but the only place I could have lost the necklace
Mmh!
...is the park! That's when we stopped talking. I'll go look for it right now!

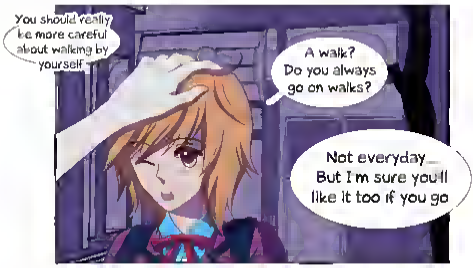
I just told you not to wander around by yourself because it's dangerous

I was going to go take a walk in the park anyway. so let's go together



You should really be more careful about walking by yourself
A walk? Do you always go on walks?
Not everyday... But I'm sure you'll like it too if you go
